TEACHING STAFF/SIT LEADERSHIP STANDARDS AND RESPONSIBILITIES

1. Demonstrate mature behavior and positive attitude at all times.
2. Show respect to all adults, staff members, coaches, and campers at all times. Do what is asked without complaint.
3. Conduct yourself as a role model and ambassador for USA Jump Rope and the campers.
4. Remember that you will be responsible for this group of jumpers. Find space for them to jump, stay with them always, and keep them active. Contact an Administrative Staff member if you need to excuse yourself from your group. If a jumper has mastered a skill before others in the group, challenge them to learn it backwards or in a double under.
5. Learn the names of each jumper in your group, and allow them to take a break when they need it.
6. Be patient, friendly, and encouraging to everyone. Make it **FUN!**
7. Show each skill without the rope. Don't always face your jumpers while demonstrating. Turn and allow the jumpers to see you demonstrate the skill from behind so they can copy your movements.
 - Break each skill into parts.
 - Check each jumper's movement without the rope or without jumping.
 - Check each jumper with his or her rope. Correct the jumper's mistakes if necessary.
8. Be friendly and willing to answer questions.
9. Accept responsibility for personal behavior and belongings including ropes.
10. Abide by all camp and staff rules.
11. Maintain a healthy presence and a clean uniform; this includes keeping your shirt tucked in at all times.
12. Be present and on time for all sessions and assignments.
13. Maintain your composure throughout your leadership experience.
14. Remember that you are a wonderful role model for these jumpers and we are proud of you!
15. Be ready to work hard and have lots of fun!

I have read the above listed Standards for Staff in Training, Level 2 position, I understand each item listed and further I understand that if at anytime during Camp, I do not follow the Responsibilities and or Standards I may be removed from Staff in Training, Level 2 and or removed from Camp.
