

## **WELCOME TO NATIONALS 2018!**

USA Jump Rope is excited to move our U.S. National Jump Rope Championship to the Wisconsin Dells, WI for 2018! The dates are June 20-23, 2018 with a camp on June 24, 2018. Our theme this year is ***The Magic Jumps to the Dells!***

We are also very excited to announce that your current USA Jump Rope membership for non-competitors, will give you venue entry to the **entire event**. No spectator packages required and no entry fees required with your current USAJR membership for spectators, judges and coaches. If you have not renewed or registered, do so TODAY! If you choose not to become a member, there will be a daily entry fee to be determined by the Woodside Sports Complex. We will publish rates in early 2018.

We will put out information every few weeks focusing on different areas in the Wisconsin Dells. We will focus on The Dells and the hotel venue Chula Vista in this publication. Everything will be outlined on our website very clearly under the **2018 Nationals** tab. You will be able to “click” on the specific information needed. We will post event venue, transportation, restaurants, shows, shopping and essential needs and much more in the coming weeks.

### **About the Wisconsin Dells**

The Dells is one of those intriguing destinations that will surprise you with all it has to offer. That’s why it’s such a hit with vacationers. But many of the same things that make the The Dells a family favorite also makes it an ideal spot for sporting events.

The Dells, as a destination, is comprised primarily of the City of Wisconsin Dells and the Village of Lake Delton. Totaling just over 19 square miles, this destination has about 5,600 permanent residents. The Dells welcomes approximately 4+ million visitors annually. There are more than 200 waterslides and 16+ million gallons of water at area waterparks including rides such as extreme plunge slides, tube rides, racing slides, water rollercoasters, wave pools and the list goes on. There are more hotel rooms and lodging options than any other destination in the state. There are over 20 campgrounds with nearly 3,200 sites. The summer temperatures average about 73 degrees, although the temperatures can reach the 90s to 100 at times. All waterparks are heated for year round comfort.

We have chosen Chula Vista Resort due to its close proximity to the Woodside Sports Complex. It is less than a mile and an easy walk from the resort. Teams, coaches and family members are not required to stay at Chula Vista Resort, but additional hotels are 5-10 miles away from the Woodside Sports Complex, so we do highly recommend the venue.

All Chula Vista Resort room options sleep up to 6 people (with a fold out sofa) with additional options for up to 8 guests. All have a refrigerator and microwave. Other available options have a full kitchen.
